

CUB NUTS

July 22 & 23, 2017

Coyote Hobby

Sharp's Field

www.coyotehobby.com Molalla, Oregon

- Dates:** July 22 and 23. Saturday and Sunday.
Location: Same great location at Sharps Green Acres in Molalla
Facilities: Limited dry camping available, restroom and garbage facilities and electricity for charging batteries.
Registration: Pilot signup begins Saturday morning at 8:00am with the first pilots meeting at 10:00 am
Fees: Regular pilots fee of \$25.00 includes two days of flying, free lunch Saturday and free raffle tickets.
Raffle: There will be a raffle as usual last thing on Sunday afternoon.
Food: Food will be available on site. Check www.coyotehobby.com for details.
Activities: This year's Cub Nuts will be billed as a "flyers event" meaning lots more time allocated to open flying. We will do "All Up Cubs" right after the 10:00am pilots meeting on Saturday and then the hugely popular "Dead Nuts" late Saturday afternoon. We may or may not have a "pilots choice" event on Sunday before we wrap up.

So bring a Cub or one of it many cousins and join us for a week-end of fun and friends. Hope to see you there...
