AMA Charter No. 707

December 2010

Club Banquet at Old Spaghetti Factory

The banquet will be January 15th at 6:00 p.m. at the Old Spaghetti Factory at Clackamas Town Center, 12725 S.E. 92nd Ave. Clackamas, OR 97015. We have a separate room reserved and we'll order off the menu. **The RSVP to Mike (See Below) is important because if we need a larger room, Mike needs to let them know before January 1st.**

Two or three airplane kits / ARF's will be raffled off, including a Proctor Mini-Antic.

To give the club officers information for planning for the future, there will be a voluntary questionnaire passed out as you enter. Each completed questionnaire turned in will get one free ticket for the raffle.

Please RSVP Mike McKay by December 31 at (503) 970-4985 or e-mail him at mmckay4z@comcast.net. You can also RSVP via the club website <http://www.sky-knights.org/>

Election of Club Officers

Mike McKay was elected President and Gregg Marshall was elected Vice President at the November club meeting. Scott Bacon and Craig Cook agreed to serve for another year and were elected Treasurer and Secretary respectively. Corey Parsons will take Mike McKay's place as safety officer.

Wings Across America

The Wings Across America program was concluded at the end of Pearl Harbor Days.

E-Board Meeting Hosts

January 3	Sam Bacon
February 7	Mike McKay
March 7	Gary Cosmer
April 4	Scott Bacon
May 2	Dale McDonald
June 6	Louis Hamilton
July 5	Craig Cook

All members are invited to attend.

Indoor Flying

Indoor flying is very popular this season. There were 24 flyers, 10 or so spectators, and 4 youths at the December 2nd session. It also seems to be a good membership recruiting tool. Joe Topper counted 13 Vapors in the air at one time. As shown in the attached pictures, there were a multitude of other airplane types as well.

The remaining schedule is as follows:

December	2 nd	16 th	30 th
January	12 th	27 th	
February	10 th	24 th	
March	10 th	24 th

Club Meeting

Our next club meeting will be December 13th at the Sandy River Airport..

A reenergized raffle will be conducted with more raffle items than has been the case recently. The plan is to build up the raffle fund to a level that would let us have bigger and better items.

See you there!

SQUiRT Traveling Airplane

Some of the 25 flyers

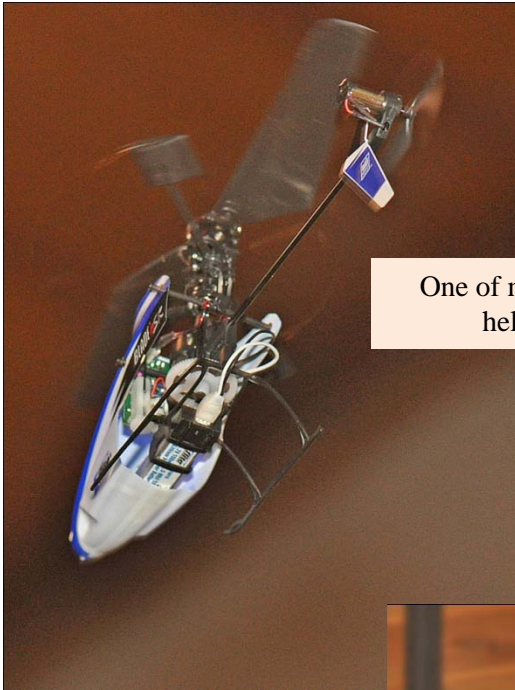

One of a cloud of maybe 15 Vapors

An Air Hog (\$30) that flew well

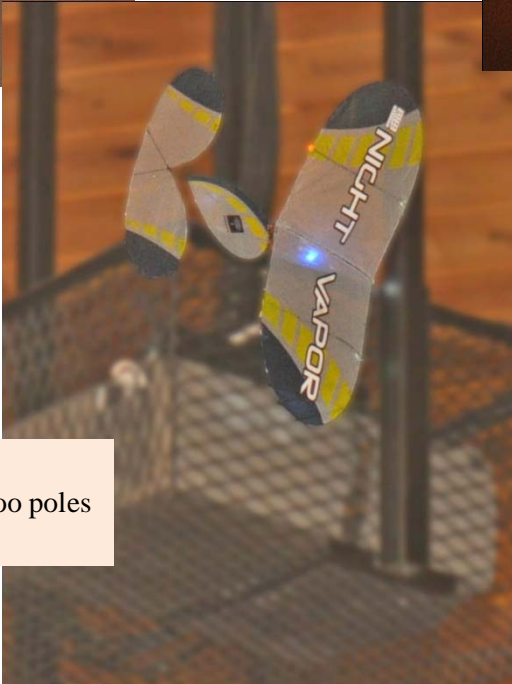

One of many smaller helicopters

A 4 gram RTF
(That's 1/7th oz or 0.009 lb.)

A Vapor in trouble
Teamwork, duct tape, and bamboo poles
made a successful rescue

The biggest and fastest plane
there.
He had to wait until nearly the
end for his flying time

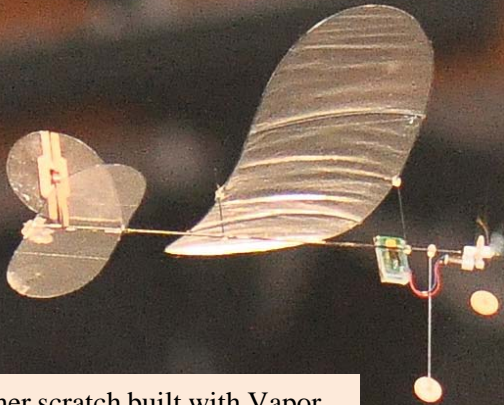

Flap / drag brakes helped slow it down

Scratch built with skids mixed it up with Vapors

Another scratch built with Vapor power and controls

Another \$30 plane that flew fairly well
