## **Swap Meet @ October Club Meeting**

Remember that our annual swap meet is a part of this month's club meeting. Clean off your building board and get some room to work. Bring the top two or three layers to the swap meet.

## **Scale Masters' National Championship Meet**

The Wenatchee Red Apple Flyers put on a good event. Forty eight competitors came from Florida, Maine, Illinois, Arizona, Utah, Idaho, California, British Columbia, Washington, and Oregon. The Sky Knights were represented by Dick Hansen and Bob Raser, who finished 7<sup>th</sup> and 19<sup>th</sup>.

Their field is as good as or better than advertised. The weather cooperated pretty well, albeit it was a touch warm Saturday afternoon. The 48 competitors seemed to be pretty happy. The drill was as follows: Scale judging was Thursday. There were five competition flying sessions, two Friday, two Saturday, and one Sunday morning. All competitors flew in all five sessions and in each session they were judged by a different set of judges. The differences among judges were evened out by having each set of judges evaluate every contestant.

## **Coming Events**

The season is coming to an end. Pearl Harbor Day is the only event on the horizon. It will be December 6 starting at 9:00 a.m. at Duster Field.
