Sep Meeting Highlights

Guests in attendance identified themselves as: Scott Waterman and Dick Jackson. Two new members are Andy Waterman and Larry Hayes.

Bill gave the treasurers report, but Guy was absent, so there was no minutes reading from last meeting.

The departmental officers had nothing major to report.

Gary Cosmer mentioned that he has seen a new hobby shop open up near where the old Ultimate Hobbies was in the Jantzen Beach Mall.

Harry Clark asked about the club roster. Bill says that it should be available with the next newsletter.

Dale McDonald has the 2004 club picture and will make copies for whoever wants one. The cost will be \$3.00 for 8x10; and \$1.00 for 5x7.

Chuck Adams stated that we are considering several possible sites. One is Mayfield Reservoir, and the other is a private water ski lake north of Lacamas Lake.

Joe Topper and Dale McDonald reported on the 2004 Dawn Patrol, at the Molalla R/C Assn field.

The NW Model Expo at Puyallup will be open to the public on Fri, Sat, and Sun Feb 4th, 5th, and 6th 2005.

John Howell is looking for someone associated with some aviation knowledge to help his Boy Scout Troop with some merit badges this fall/winter.

Ken Strohmeier asked about the chances of having some matting put down around a pit table so that he can get around in his wheelchair more easily.

Show and Tell: Dale McDonald. Had his new Proctor ANTIC mini monoplane; P.J. and Jim Lunan showed the weed eater motor that they have converted to model usage; and Joe Topper showed off his Proctor ANTIC, a Parasol version that he modified into a three engine speed demon.

Club Jackets

Chuck Adams will take orders for club jackets; they are available in sizes of large (L), extra large (XL) and extra-extra large (XXL). These come in Wolf Grey with club logos. Prices range from \$33.25 to \$34.25. Contact Chuck at (503) 658-2955 to order.

Employment Opportunity

Very part time opportunity soon available. Jim Kist tells me that he is soon going to have another child. He says that he will not be able to perform the duties of Field Marshall next spring he will have to step down. The biggest part of this is mowing the field, and pays \$55.00 per year (in free dues). So here is your chance to save a little money in exchange for a bit of work helping out the club and keeping the field looking good.

Basic Flying Advice(free)

(remember, you get what you pay for)

1. Try to stay in the middle of the air.
2. Do not go near the edges of the air
3. The edges of the air can be recognised by the appearance of: ground, buildings, water, trees, and interplanetary space.

Classifieds

Classified ads will be published for 90 days. Ads may be re-published by contacting the Editor. Deadline is the Tuesday before the regular Monday night meeting.

Wanted: Used R/C Gear

Bob is looking for any kind of R/C gear that you are not using. It will be used to recycle equipment to younger members of the club.
